VISIBILITY PLAN

2nd Innovation Forum on the Bioeconomy in Quebec

"For a sustainable and competitive economy"

June 20th to 22nd, 2022

Center for Interactive Events and Conventions in
Trois-Rivières

In association with:

As a key player in Quebec's bioeconomy, this conference is a great opportunity for your organization to network and achieve greater visibility.

In addition to several international participants, all the key people active in Quebec's economy will be participating in this forum.

Become a partner of this event and showcase your organization on the Quebec bioeconomy scene!

For more information, please contact **Jean Philippe Chenel** at **(418) 914-1608** Extension **203** or at **jp.chenel@cribiq.qc.ca**
